

Petition introduce

Soon,an era will come where anything can be done for free

Local events don't concern me, it's autumn now~~

It's not like it's free food and drink so it doesn't concern me

And then...

I'm just thinking about saving exactly 3 million yen by then...

I'm always active so there's nothing in particular...

I'm just saving 3 million yen...

It's not a payment, it's money entrusted, so depending on the number of votes, the full amount will be returned

Yesterday's pull-up

***Complete when your hips are above the bar**

Similarly to that

***Complete the moment you have 3 million yen**

By the way, just off the top of my head,

① **I will introduce the petition**

I came up with this, but...
