

"There's an actress here"... You've got the wrong person

It was the day of the piano recital.

Apparently, they recognized her face, but couldn't remember her name right away.

By the way,

Donbei Kitsune has been added. The person in the image below... is also an actress.

People from other countries are unfamiliar, after all... ➡ 1st

I searched several times to link the commercial video, but...

I couldn't easily find a video featuring just her,

so I reluctantly decided to use a slightly erotic video, since it's publicly available.

Incidentally, I don't fly anymore, but in the past, the flight attendants would always tell me this when I went to the restroom: "Please make sure you lock the door." Anyone would do that without being told, though...
